

# T30 Spacer - Black

C300318

## Product description

Mounting card readers directly onto metallic surfaces can significantly reduce card read range performance. The T30 Spacer helps overcome this by creating separation between the T30 Reader and the metal surface, improving read reliability and overall credential performance. Available in pack of 5.

Color: Black  
Pack of 5

## Product details

Features:

- Creates a gap between the mounting surface and the T30 reader
- Does not compromise aesthetic choices as spacer sits behind the reader

## Product Specification

Height x Width x Depth 10 x 86 x 118 mm
