**Disclaimer:**

The solutions and technical notes in this article have been supplied for our customers' use, however Gallagher Security cannot guarantee that they will work in all access control environments as they may be specific to a site or a software version. Whilst every effort has been made to ensure accuracy, neither Gallagher Group Ltd nor any employee of the company, shall be liable on any ground whatsoever to any party in respect of decisions or actions they may make as a result of using this information. In accordance with the Gallagher policy of continuing development, design and specifications are subject to change without notice. Developed and manufactured by Gallagher Group Ltd, an ISO 9001 Certified Supplier. Cardax is a registered trademark of Gallagher Group Ltd. Gallagher Security is a division of Gallagher Group Ltd.

\* The functionality described for Hanwha Techwin's SSM interface pertains to the functionality that is available in the SSM software. SSM uses Gallagher's OPC Events and Alarms interface to send events from Gallagher Command Centre to the SSM software. The Video Management functionality is available in the SSM software only.
