*** Hanwha and Nx Witness:** These two integrations include step backwards and jump backwards buttons instead of rewind functionality. Step backwards moves the video back by one frame, jump backwards moves the video back by 5 seconds.

Modified: 03/08/2026

Additional integrations: Gallagher additionally provides VMS integrations with the following systems, which have been excluded from the above table for obsolescence considerations. For information about the availability of these integrations, contact your local Gallagher representatives: Hikvision, Mobotix, Huawei, Dallmier, Aimetis, Pelco, OnSSI, Panasonic, and VicoNet.
